EXPERIENCE

Software Developer Intern

May 2024 - June 2024

Delhi Skills and Entrepreneurship University

Delhi, India

- Built and maintained a user-friendly ERP system with two main portals for students and administrators.
- Enabled student registration, profile creation, and exam registration, including secure data handling for admins and special feature development for Super-admin needs.
- Successfully deployed the ERP system on [Link](#).
- Utilized TypeScript, Express, React, CSS, and Tailwind CSS to create dynamic and responsive web applications.

C++ Developer Intern

July 2023 - August 2023

Codsoft Pvt. Ltd.

remote

- Successfully completed diverse C++ projects.
- Developed interactive and user-friendly interfaces for the Projects, significantly enhancing user engagement and experience.
- [Link](#)

PROJECTS

Exam Registration Portal

- Designed and implemented efficient exam registration and administration processes, facilitating smooth academic operations.
- Deployed on [Link](#)

Gamified Daily Work Organiser

- Integrated a points-based reward system with themed badges and visual customizations, incentivizing task completion and boosting user engagement.
- [Link](#)

List My Movies

- Created a platform for users to explore movies and web series by popularity, trends, and ratings, with trailers and IMDb ratings.
- [Link](#)
